- (2) Projects subject to a Special Need. EDA shall determine the maximum allowable Investment Rate for Projects subject to a Special Need (as deterpursuant mined by EDA§301.3(a)(1)(iii)) based on the actual or threatened overall economic situation of the Region in which the Project is located. However, unless the Project is eligible for a higher Investment Rate pursuant to paragraph (b)(5) of this section, the maximum allowable Investment Rate for any Project subject to a Special Need shall be 80 percent.
  - (3) Projects under part 303.
- (i) The minimum Investment Rate for Projects under part 303 of this chapter shall be 50 percent.
- (ii) Except as otherwise provided in paragraph (b)(3)(iii) of this section or in paragraph (b)(5) of this section, the maximum allowable Investment Rate for Projects under part 303 of this chapter shall be the maximum allowable Investment Rate set forth in Table 1 for the most economically distressed county or other equivalent political unit (e.g., parish) within the Region. The maximum allowable Investment Rate shall not exceed 80 percent.
- (iii) In compelling circumstances, the Assistant Secretary may waive the application of the first sentence in paragraph (b)(3)(ii) of this section.
- (4) Projects under part 306. Except as otherwise provided in paragraph (b)(5) of this section, the maximum allowable Investment Rate for Projects under part 306 of this chapter shall generally be determined based on the relative needs (as determined under paragraph (b)(1) of this section) of the Region which the Project will serve. As specified in section 204(c)(3) of PWEDA, the Assistant Secretary has the discretion to establish a maximum Investment Rate of up to 100 percent where the Project:
- (i) Merits, and is not otherwise feasible without, an increase to the Investment Rate: or
- (ii) Will be of no or only incidental benefit to the Eligible Recipient.
- (5) Special Projects. Table 2 of this paragraph sets forth the maximum allowable Investment Rate for certain special Projects as follows:

TABLE 2

Projects	Maximum allowable investment rates (percentage)
Projects that involve broad Regional plan- ning and coordination with other entities outside the Eligible Applicant's political ju- risdiction or area of authority, under spe- cial circumstances determined by EDA, and Projects that effectively leverage	
other Federal Agency resources	80 100
aster areas in a timely manner	100
their effective borrowing capacity	100
of this chapter	100
§ 308.3 of this chapter	100

(c) Federal Funding Opportunity announcements may provide additional Investment Rate criteria and standards to ensure that the level of economic distress of a Region, rather than a preference for a geographic area or a specific type of economic distress, is the primary factor in allocating Investment Assistance.

## § 301.5 Matching share requirements.

The required Matching Share of a Project's eligible costs may consist of cash or In-Kind Contributions. In addition, the Eligible Applicant must show that the Matching Share is committed to the Project, will be available as needed and is not or will not be conditioned or encumbered in any way that would preclude its use consistent with the requirements of the Investment Assistance.

## § 301.6 Supplementary Investment Assistance.

(a) Pursuant to a request made by an Eligible Applicant, EDA Investment Assistance may supplement a grant
